Meet & Greet Appointments

You will receive an email from your child's teachers later in August with a link to sign up for your individual Meet & Greet appointment. The appointment will be approximately 30 minutes and provides an opportunity to meet your child's teachers one-on-one, visit the classroom, set up their cubby with their belongings, and ask any remaining questions you may have.

Arrival time at the Lower Campus is always between **8:00 and 8:30 AM**.
